

Your Work Style, **Business** Calling

Call, message, and meet more efficiently

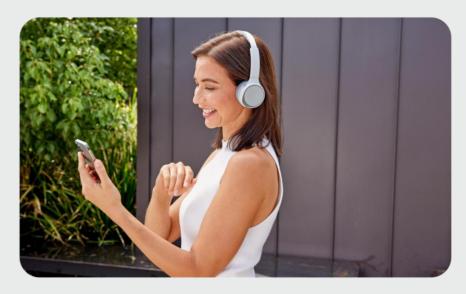

When it comes to how people prefer to keep in touch, everyone has their own unique work style and needs. altafiber's Business Calling with Webex is an all-in-one collaboration app with a wide range of features that cater to all of those differing styles.

Meet a typical hybrid team

Helen, Hybrid Knowledge Worker

Knowledge workers are embracing the hybrid model, with a mix of in-office and remote workdays. Keeping in touch from wherever they are is critical.

Robyn, **Road Warrior**

Sales reps and other employees on the road need to be able to check in with colleagues and clients anywhere, anytime.

Eric, **Executive Assistant**

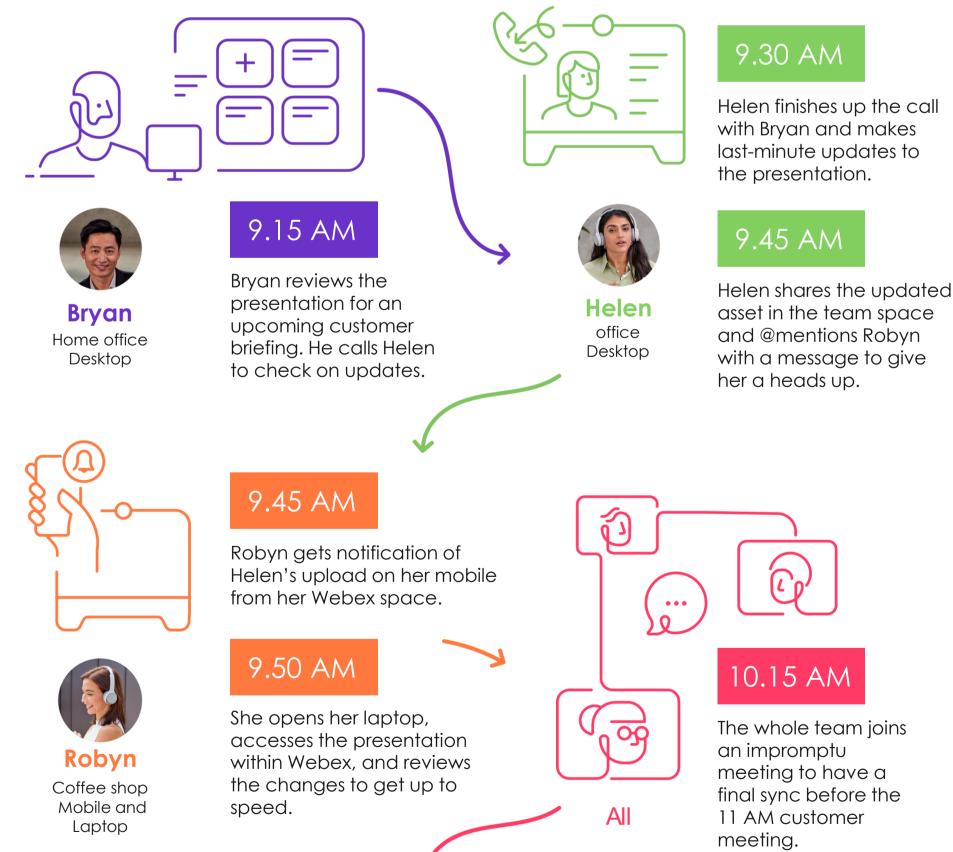

Executive assistants must be available and extremely responsive to support company leaders whenever and wherever they need it.

Bryan, **Business Owner/Manager**

Business owners and managers are always on call. They require the latest information to make smart decisions no matter where they are.

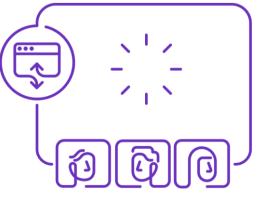

Discover a typical day in the life for a hybrid team

11.00 AM

Eric starts the meeting as cohost to take over moderator duties. He enables Webex Assistant and hits record, then lets Robyn kick things off.

Eric Office Desktop

Eric shares the meeting recording and transcripts with each attendee. He posts next steps in the team space so work can move forward.

Bryan Home office Desktop

12.30 PM

Bryan shares a congratulatory GIF with the team for a job well done.

Business Calling with Webex accommodates all the ways your people like to work and collaborate.

Every worker has their own unique work style and needs. Find out how easy it is to empower your team with the collaboration features that matter most.
